

Criss Cross Apple Sauce

Outcome 3: Children have a strong sense of well being
Specific outcome: Children develop a large vocabulary of song material they will take with them for life

Babies: Lay baby on their tummy

Toddlers and Kids: Have toddlers/kids lay on tummy or sit up with their back to you

Actions

Criss cross apple sauce

With your finger, draw a large cross on child's back

Spiders crawling up your back

Creep fingers up child's back

Cool breeze

Blow on child's face and head

Tight squeeze

Give child a little cuddly squeeze

And now you've got the shivers!

Tickle child all over!
