

Vegetable soup

Outcome 2: Children are connected with and contribute to their world
Specific outcome: Children cooperate in group movement activities

in swing

Other verse suggestions:

Carrot, pumpkin, turnip, celery - choose any vegetable you like!

Activity

Action song

Verse: One potato, two potato... throw them in the pot we'll eat the lot!

During the verse, ask carers to sit facing a child (or older children can face each other), and take turns placing one fist on top each another as they count the vegetables.

Chorus

Still facing partner, each person cross hands and hold each other's hands, then make a "stirring the pot" action together.
